AGREEMENT

WHEREAS, Fond du Lac Highway Department employees have elected Fond du Lac County Highway Department Employee's Union, Local 1366B, affiliated with the Wisconsin Council of County Municipal Employees, AFSCME, AFL-CIO as the exclusive collective bargaining representative of the employees of said Fond du Lac County Highway Department, and

WHEREAS, in order to maintain the existing harmonious relationship between the County of Fond du Lac, hereinafter referred to as the "Employer" and its highway employees represented by Fond du Lac County Highway Department Employees' Union, Local 1366B, AFSCME, AFL-CIO, hereinafter referred to as the "Union", to maintain a uniform scale of wages, hours and working conditions and to facilitate a peaceful adjustment of all grievances and disputes that may arise.

NOW, THEREFORE, in consideration of the mutual covenants and agreements, the above named parties enter into the following agreement which shall be binding on the parties for the term therein provided.

ARTICLE 1. RECOGNITION AND UNIT OF REPRESENTATION

1.01 The Employer recognizes the Union as the exclusive collective bargaining representative for the purpose of conferences and negotiations with the Employer, or its lawfully authorized representatives, on questions of wages, hours, and other conditions of employment for the unit of representation consisting of all regular full-time and regular part-time employees in the Fond du Lac County Highway Department, excluding the superintendents, assistant superintendents, seasonal employees, (with the exception of watchmen), office clerical employees and supervisors as certified by the Wisconsin Employment Relations Commission on September 6, 1966, following a representation election.

ARTICLE 2. FAIR SHARE

2.01 The Employer agrees it will deduct from the monthly earnings of all employees in the collective bargaining unit, an amount specified by the Union, such amount being the monthly dues certified by the Union as the current amount uniformly required of all members and pay said amount to the Treasurer of the Union on or before the end of the month following the month in which such deduction was made.

2.02 Changes in the amount of dues to be deducted shall be certified by the Union 45 days before the effective date of the change.

2.03 As to new employees, such deduction shall be made from the first paycheck following the probationary period.

2.04 The Employer will provide the Union with a list of employees from whom such deductions are made with each monthly remittance to the Union.

2.05 It is further agreed that the Union as the exclusive representative of all employees in the Bargaining Unit, will represent all such employees, Union and non-Union, fairly and equally and all employees in the Unit will be required to pay, as provided in this Article, their proportionate share of the costs of representation by the Union. No employee shall be required to join the Union but membership in the Union shall be made available to all employees who apply consistent with the Union Constitution and By-Laws. No employee shall be denied Union membership because of race, creed, color or sex.

2.06 It is agreed that the County shall be saved harmless in case of any legal controversy regarding the "Fair Share Agreement".

ARTICLE 3. PROBATIONARY PERIOD

3.01 All new employees shall be employed on a six (6) month probationary period. A probationary employee may be disciplined or discharged for any reason without recourse to the grievance procedure.

3.02 After completion of the probationary period the employee shall be granted seniority rights from the date

of original hire into a bargaining unit position.

3.03 Probationary employees who desire hospital and surgical insurance coverage after ninety (90) days of employment shall be entitled to coverage in accordance with the contribution schedule in Section 16.01.

ARTICLE 4. MANAGEMENT RIGHTS RESERVED

4.01 Unless otherwise herein provided, the management of the work and the direction of the working forces, including the right to hire, promote, transfer, demote or suspend, or otherwise discharge for proper cause and the right to relieve employees from duty because of lack of work or other legitimate reason is vested exclusively in the Employer.

4.02 The County Board and its Highway Committee shall have the sole right to contract for any work it chooses and to direct its employees to perform such work wherever located subject only to the restrictions imposed by this agreement and the Wisconsin Statutes.

4.03 In keeping with the above, the Employer may adopt reasonable rules and amend the same from time to time and the Employer and the Union will cooperate in the enforcement thereof. Intoxicating liquors, including beer and wine, shall not be consumed by any Highway Department employee during working hours either on or off county premises. To the end that there may be no misunderstanding with regard to the above, all employees are directed to refrain from entering upon any premises wherein intoxicating liquors are sold during working hours, except in extreme emergency situations.

ARTICLE 5. DISCIPLINE, DISCHARGE AND SUSPENSION

5.01 No regular employee shall be disciplined or discharged except for just cause. Written notice of the suspension, discipline or discharge and the reason or reasons for the action shall be given to the employee with a copy to the Union within twenty-four (24) hours if reasonably possible. Any grievance that may result from such action shall be considered waived unless presented in writing within seven (7) calendar days of the receipt of the notice by the employee. The grievance may be started at Step 2 or Step 3.

5.02 An employee may be subject to discipline including discharge for excessive unapproved leaves of absence. Unapproved leaves of absence shall be defined as any unpaid leave of absence from scheduled employment for which the employee has not received prior approval from the employer in accordance with Article 15. Included in the definition of unapproved leaves of absences are any unpaid leaves which would have qualified for paid sick leave had the employee had accrued sick leave at the time of the absence. This policy shall be administered in a fair and consistent manner.

ARTICLE 6. GRIEVANCE PROCEDURE

6.01 Grievance: Any matter involving the interpretation, application, or enforcement of the terms of this Agreement, or a claim by an employee, employees or Union, that an employee has been discriminated against or treated unfairly or arbitrarily by the Employer by any action taken in the exercise of its rights or powers, may become a grievance. Grievances must be presented in Step 1 within ten (10) working days of (1) the occurrence of the event causing the grievance; or (2) within ten (10) working days of the time that an employee reasonably should have known of the events causing the grievance; or else the same shall be barred as a grievance.

- Step 1. If an employee has a grievance, he/she shall first present the grievance orally to his/her immediate supervisor or the Highway Commissioner, either alone or accompanied by the Union Officer or Official.
- Step 2. If the grievance is not settled at the first step within ten (10) working days, it shall be reduced to writing and presented to the Highway Commissioner. If not resolved within ten (10) working days, the Highway Commissioner shall furnish the employee a reply in writing.
- Step 3. If a grievance is not settled at the second step, and within fourteen (14) calendar days after the employee receives the reply in writing from the Highway Commissioner, the grievance shall be presented to the Grievance Hearing Committee (GHC) and notice of such appeal shall be given to the Highway Commissioner. The GHC shall be comprised of the County Human Resources

Director, the Director of Administration and an "at large" member selected by the HR Director from a rotating list of five (5) department heads. The participating "at large" member selected shall not be affiliated with the grievant's department of employment. The GHC shall meet with the grievant at a time when the grievant is not scheduled to work or when scheduling arrangements can be made allowing the grievant to attend the hearing. If the grievance is not resolved within fifteen (15) days, either party may submit the matter to Step 4 within five (5) calendar days following the expiration of the fifteen (15) days aforesaid or the matter will be deemed waived and finally settled. Wherein the grievance pertains to a disciplinary suspension or termination of an employee, the Finance, Personnel and Economic Development Committee shall entertain the grievance pursuant to the aforementioned time frames and deadlines.

- Step 4. Any grievance not settled in Step 3 above and timely noticed for appeal to Step 4 in writing served on the opposite party to include the Highway Commissioner by the party appealing, shall be subject to arbitration. The parties shall request the Wisconsin Employment Relations Commission to appoint a commissioner or member of the staff to serve as the Arbitrator and the Arbitrator shall make a decision on the grievance, which shall be final and binding on both parties. **TIME LIMITS:** The limits set forth above may be extended by mutual agreement in writing.

ARTICLE 7. SENIORITY

- 7.01 The Employer agrees to the seniority principle.

7.02 After completion of their probationary period an employee's seniority date shall be their original date of hire as a regular full-time or regular part-time employee within the bargaining unit with the Employer and shall not be considered terminated except upon (1) discharge for cause; (2) voluntary quit; (3) failure to return upon the expiration of a leave of absence; (4) layoff for a period exceeding two (2) years; or (5) failure within seven days after sending of notice, to respond to recall from layoff after written notice by certified mail is sent to the employee at the last address appearing on the Employer's records.

7.03 A seniority list shall be prepared and posted by the Employer. Such list shall be prepared in order of seniority and will show the names and dates of employment of all persons in the bargaining unit. A copy of such list shall be mailed to the Union and such list shall be reviewed at twelve (12) month intervals.

ARTICLE 8. LAYOFF

8.01 In laying off employees because of a reduction in forces, the employees with the least seniority within a job classification shall be laid off first, provided that those remaining are qualified to carry on the Employer's usual operation. In reemploying, no part time employees shall be hired before all full time employees have been recalled in reverse order of lay off provided they are qualified to perform the available work.

8.02 In the event of a reduction in the work force the County agrees to notify the Union thereof as soon as reasonably possible after reaching such determination. If the Union wishes to discuss the impact of such reduction on bargaining unit employees, it shall request a meeting in writing to the Highway Commissioner or designated representative. A meeting will be held as soon as practical between the parties.

8.03 An employee(s) who is unable to retain his/her present job classification due to a reduction in force may apply his/her total county seniority to bump the least senior employee, if any, within a job classification which the employee is qualified to perform.

8.04 The employer shall provide a severance package to employees whose positions are eliminated or under threat of elimination due to budgetary reasons or operational efficiency. The severance will be equal to one month of the employee's elected employer sponsored health insurance plan for every 18 days of accrued sick leave. The employer agrees to pay its portion of the health insurance plan. Employees that elect to retire in lieu of layoff will be offered one month of the employer sponsored health insurance plan for every 6 days of accrued sick leave up to a maximum of 12 months. If the employee does not currently participate in the employer sponsored health insurance, they will be compensated by a cash pay-out equal to 50% of the employer's current cost of a single health plan. This option is also subject to a 12 month maximum for employees that elect to retire. If the employee elects the severance package and is later recalled from layoff their sick leave balance will not be reinstated as the employer will

have considered the employee fully compensated for their accrued sick leave.

ARTICLE 9. JOB POSTING

9.01 Whenever any vacancy occurs due to retirement, quit, a new position or for whatever reason, the job vacancy shall be posted. The job posting shall be posted on all bulletin boards for a minimum of seven (7) days. The job requirements, qualifications and wage rate shall be a part of the posting and sufficient space provided for interested parties to sign said posting. Upon completion of the posting, the Employer shall furnish the results of that posting to a Union officer.

9.02 The Employer shall determine the qualifications of the applicants and in the event that qualifications as determined by the Employer are relatively equal, the applicant with the greater seniority shall be selected to fill the vacancy. Should an employee desire to return to his/her former position within thirty (30) actual work days thereof, he/she shall be reassigned to his/her former position without loss of seniority. Other employees affected by a decision of an employee to return to his/her former position shall likewise be returned to their former positions without loss of seniority. In this event, the applicant next in line of seniority shall be given preference pursuant to the above procedure until the original vacancy is filled.

9.03 Qualifications Disputes: If there is any difference of opinion as to the qualifications of an employee, the Union Committee and/or Union Representative may take the matter up for adjustment through the Grievance Procedure.

9.04 If no regular employee makes application for this job by signing the posting, it shall be given to the temporary employee applying (signing) who has the most seniority, subject to the right of the Employer to determine whether the employee applying for said position has the proper qualifications to perform the job. If there are no applicants on a posted job and the Employer does not fill such job, the job shall be reposted within three months of the original posting, in the event the employer intends filling such position. However, the employer shall notify the Union if it does not intend to fill the position.

9.05 If an applicant signs a posting he/she shall be given notice of the status of such posting within 30 days after the posting is taken down from the Bulletin Board.

9.06 Employees hired in the classification of "automotive service technician;" "mechanic;" "sign installer/painter I - III;" and "welder" shall not be eligible to sign a job posting in a different classification without the mutual consent of the employer and the union for a period of four (4) years.

10.03 In the event that a holiday falls on a regular work day within the period taken as vacation or sick leave, such holiday shall not be charged as vacation or sick leave if the time off with pay option is taken.

- b) Week of Vacation: Midnight Sunday to midnight on following Friday. (Calendar Week)
- c) Week of Vacation: Midnight of day proceeding the first day of vacation (overlapping) to midnight of last day of vacation.
- d) A week of vacation must be 40 consecutive work hours (non-holiday). For example, in order for vacation to be considered one "full week" (40 hours) on a week that includes one or more holidays, the preceding or following work days must be taken as vacation in order to accumulate to 40 consecutive work hours. The holiday hours do not count as vacation hours when accumulating to 40 hours.

11.02 Vacation accrual shall be determined on the basis of length of continuous service of each employee as of January 1st of each year for the preceding year and such vacation must be taken in the calendar year following the year in which it is earned.

11.03 Initial Year of Service: For a regular full time employee with less than a full year of service as of January 1, the employee shall receive five/sixths (5/6) of a day's vacation for each month or major fraction of a month of continuous service in the prior year. Where fractional vacation days occur, they shall be rounded off to the nearest full day for purposes of computing pay and time off.

11.04 Subsequent Years of Service: Each regular full-time employee shall receive vacation time off and vacation pay based on an employee's anniversary date established as follows:

- a) An employee whose anniversary date of hire falls between January 1 and June 30, inclusive, shall have his/her anniversary date for vacation purposes established as of January 1 of said year.
- b) An employee whose anniversary date of hire falls between July 1 and December 31, inclusive, shall have his/her anniversary date for vacation purposes established as of January 1 of the following year.

11.05 Vacation Schedule: Each regular full-time employee shall receive vacation time off and vacation pay according to the following schedule:

<u>Time Off With Pay</u>	<u>Number Of Years Of Continuous Service</u>
Two (2) Weeks (80 Hours)	1

Three (3) Weeks (120 Hours)	6
Four (4) Weeks (160 Hours)	13
Five (5) Weeks (200 Hours)	20

11.06 Regular part time employees shall receive vacation time off and pay on a pro rata basis.

11.07 An employee shall not be eligible to receive a vacation until his/her probationary period has been completed. Upon completion of an employee's probationary period the employee shall be eligible to receive vacation for those months of service prior to January 1 of the year in which the probationary period was completed.

11.08 An employee is not entitled to any vacation pay if his/her employment is terminated prior to the completion of six (6) full calendar months of continuous service.

11.09 Preference as to time of vacations will be given in accordance with seniority wherever practical and provided it does not adversely affect the operation of the Employer.

11.10 Vacation Notice

- a) Vacations After October 1st Excluding One (1) Day At a Time Vacations. Each year the employer shall make available a vacation schedule to all employees and shall keep the schedule current. Each eligible employee will be requested to specify the vacation period he/she desires prior to September 15th. The Employer shall post the list of vacations as granted to the employees by September 22nd. This list may be either the Chief Patrol Superintendent's calendar or another document. An employee who fails to sign the vacation posting by September 15 shall lose the right to bump a less senior employee who has been granted a specified vacation period by virtue of signing the vacation posting prior to September 15th.
- b) All Other Vacations. All other full week vacation requests must be filed with the Commissioner one (1) month prior to the date of the requested vacation.

11.11 One Day Vacations - Employees with less than 4 weeks of vacation available shall be permitted to take one (1) week of their vacation in increments of one (1) day at a time upon three (3) working days prior notice to the Employer. Employees who are eligible for three (3), four (4) or five (5) weeks of vacation shall be required to take a minimum of 2 weeks as full weeks (not necessarily consecutive 2 weeks but minimum 40 hours in a row not including holidays) the remaining weeks are permitted to be taken as full weeks or single days upon (3) working days prior notice to the Employer. In cases of emergency and/or non-construction periods, the Commissioner or designee may waive such three (3) working day prior notice requirement. After approval or disapproval by the Commissioner, a copy of the vacation request will be given to the employee.

To complete a week of single days taken between January 1 and April 30, the remaining days must be consecutive work days. All 5 days would then be considered a full week vacation, not single day vacation days. The vacation request slip will be modified to include boxes for single days or full week identification. To help administer this process, employees need to mark the appropriate box and attach a copy of their previous single day vacation slips so that the days are recorded properly. These remaining single days to complete a week must be used by October 1st

11.12 Schedule of full weeks required for each level of vacation available:

	Single days	Required full weeks
< 1 full week	All	N/A
1 week = 40 hours	All	N/A
2 weeks = 80 hours	40 hours	40 hours = 1 week
3 weeks = 120 hours	40 hours	80 hours = 2 week
4 weeks = 160 hours	80 hours	80 hours = 2 weeks
5 weeks = 200 hours	120 hours	80 hours = 2 weeks

11.13 The maximum number of employees allowed off on vacation at any one time will be 13 or 25% (whichever is greater). The Commissioner may authorize exceeding this number based on operational needs.

11.14 Up to 80 consecutive hours will be considered as "one block" of guaranteed vacation for scheduling purposes.

ARTICLE 12. SICK LEAVE

12.01 Eligibility for sick leave allowance shall begin after the completion of probationary period.

12.02 One Hundred Two Day Base Account: Regular full time employees shall accumulate sick leave with pay at the rate of one (1) working day for each month of service accumulative up to one hundred two (102) working days, except new employees may not use sick leave during their probationary period.

12.03 Absences: Sick leave credits in any given year shall not be earned for any period of absence without pay or times otherwise not worked or paid for, except that for administrative purposes any approved absence or absences totaling thirty (30) calendar days or less in a calendar year may be disregarded.

12.04 Accrual Required Before Use: Sick leave shall not be used until it has been accrued.

12.05 Regular Part-time Employees: Regular part-time employees shall accumulate sick leave with pay on a pro rata basis.

12.06 Eligibility for Sick Leave: An employee shall be eligible for sick leave for any period of absence from employment which is due to illness, bodily injury, pregnancy and post natal care, exposure to contagious disease and attendance upon members of the immediate family defined as husband, wife and dependent children. The employee must attempt to make other arrangements within a reasonable time for the attendance upon members of the immediate family.

12.07 The Employer shall require a medical certificate to justify the granting of sick leave of three (3) days duration. The Employer may also require any employee claiming sick leave to submit to an examination by a doctor designated by the employer at the employer's expense.

12.08 Effect of Termination of Employment: Previously accumulated sick leave shall not be terminated by absence on approved leave. Termination of the employment for any reason shall cancel all unused accumulated sick leave allowance except employees who retire under WRS, retire due to disability, or die shall be placed in a Retirement Health Plan Account on behalf of the employee or his/her estate 50 % of all accumulated sick leave. Whenever a permanent employee is laid off due to lack of work or funds, any unused accumulated sick leave allowance shall continue in effect if he/she is rehired by a county department within two years.

12.09 Sick Leave While on Vacation: An employee who becomes sick during the time of vacation may receive sick leave pay instead of vacation pay and time charged as vacation, if such employee:

- a) Notifies the Employer on or before one (1) hour prior to such day(s) claimed as sick days of the vacation that he/she is sick and intends to so claim sick payment.
- b) Furnishes a doctor's certificate for such claimed sick days.

12.10 End of Year: At the end of each calendar year the County shall pay each employee who has accumulated unused sick leave credits in excess of 102 days, 50 percent of such excess over 102 days of maximum accumulation or at the employee's option, the equivalent number of days off with pay (i.e. 6 days in excess of 102 days equals 3 days with pay). This time must be taken in 4 or 8 hour increments, with any remaining hours taken at the end of the sick leave. The sick leave adjust time off must be used by May 1st. An employee desiring the time off with pay option must notify the Employer in writing no later than January 7 or the Employer will pay the employee. The time off with pay is also subject to the approval of the Highway Commissioner and the operational needs of the department and be counted against the total number off per day.

12.11 Sick Leave on Holidays: In the event that a holiday falls on a regular work day within the week or weeks taken as vacation or sick leave, such holiday shall not be charged as vacation or sick leave.

12.12 Notice Required if Unable to Work: An employee unable to report to work due to illness or injury is

required to give at least one (1) hour notice prior to the start of his/her work shift unless circumstances prevent him/her from doing so.

12.13 The County of Fond du Lac will provide for conversion of the payment for accumulated sick leave listed in Section 12.08 to a credit which will be used to pay for Fond du Lac County Group Hospital and Surgical Insurance premiums for any employee and any eligible dependents after his/her retirement. When said fund is depleted, the employee may continue in the program, provided he/she pays the amount of the premium.

12.14 Sick pay shall be made on the basis of eight (8) hours at the employee's permanent hourly classified rate for each full sick leave day. Each year an employee shall be allowed to use eight (8) hours of sick leave in not less than two (2) hour increments at the start or end of the day if it will not interfere with departmental operations, i.e. blacktopping, seal coating, etc.

12.15 Sick leave may be granted in one-half (1/2) day(s) for any absence which does not exceed four (4) hours and is taken in accordance with provisions of this Article.

ARTICLE 13. FUNERAL LEAVE

13.01 Employees are hereby granted up to three (3) working days leave of absence with pay in the event of the death of a member of their immediate family to arrange and/or attend the funeral services. Immediate family is defined as an employee's spouse, child, stepchild, grandchild, parent, stepparent, brother, sister, daughter-in-law, son-in-law or spouse's parent (including parent of a deceased spouse). Employees are hereby granted one (1) working day leave of absence with pay in the event of the death of other immediate relatives. Other immediate relatives are defined as an employee's grandparent, brother-in-law or sister-in-law as well as spouse's brother or sister in law.

13.02 Funeral leave pay shall be granted at the employee's regular straight time rate depending on the current normal work day but not to exceed eight (8) hours for a full day and shall be limited to the scheduled time lost within the period beginning with the day of death and ending with the day after the funeral. Employees must attend the funeral or the visitation at the Funeral Home to be eligible for any benefits under this Article.

13.03 Authorized unpaid leave of absence may be granted by mutual agreement with the Employer and employees for the purpose of attending to post funeral arrangements.

13.04 If an employee in the bargaining unit on a regular scheduled work day is an active pallbearer at the funeral of a former Fond du Lac County Highway Department employee, then, in that event, one (1) day leave with pay shall be granted for such purpose.

13.05 Any employee desiring to be absent to serve as a pallbearer at a funeral not covered by any of the aforementioned paragraphs must request such unpaid leave from the Commissioner.

13.06 In the event that an eligible funeral leave or absence with pay falls on a regular work day within the week or weeks taken as vacation, such funeral leave shall not be charged as vacation.

ARTICLE 14. TERMINATION

14.01 Any employee leaving the Department except for legitimate reason such as sickness, vacation or granted personal leave, shall be considered a terminated employee. Any unexplained absences from work for more than three (3) days shall be construed as voluntary termination from employment. It is, however, understood that on any work day any employee unable to perform his/her duties shall advise his foreman or patrol superintendent or shop superintendent prior to the commencement of said work day if possible.

ARTICLE 15. LEAVES OF ABSENCE WITHOUT PAY

15.01 Military Leave - The Employer and the Union shall comply with the requirements of Federal Law with respect to the reinstatement and seniority of employees entering or returning from service in the U.S. Armed Forces.

15.02 Extended Medical Leave - An employee who exhausts his/her sick leave account and if applicable, FMLA Leave Entitlement and is unable to return to work due to illness or injury shall be granted a leave of absence of

sufficient duration to recover from the illness or injury but not to exceed two (2) years but in no event to exceed the employee's length of service. Additionally such leave shall be conditional on the employee's usage of all available accrued paid leave benefits. An employee forced to take a vacation to extend a medical leave of absence will be granted an unpaid leave of absence to cover scheduled absences that would have been covered by vacation in accordance with the employee's vacation rights and restrictions. The employee may be required to furnish periodic medical reports from a physician to justify the need for medical leave. The full cost of applicable group health and/or life insurance premiums, which come due during such leave, is the responsibility of the employee. An employee returning from an extended medical leave shall be required to furnish a physician's statement that the employee is fully able to assume all of the responsibilities of his/her position.

15.03 Other Leaves - Any employee who wishes to absent himself/herself from his/her employment for any reason other than sick leave, funeral or any other reason specifically provided for in this agreement and who has utilized all applicable available paid leave credits must make written application for a leave of absence from the Employer. Whenever possible, all requests for leaves shall be made in writing to the Commissioner at least fifteen (15) days previous to the start thereof. The Employer shall determine whether or not justifiable reason exists for granting a leave of absence. Such request in writing shall also indicate whether the employee will pay any insurance coverage premium for which he/she is responsible during the requested period of such leave of absence, to-wit: the employee's share and the Employer's share of premiums on said insurance coverages, or whether the employee will execute a waiver and discontinue said insurance coverages. If the employee desires to continue said insurance coverage or coverages, he/she must pay the aforementioned premium (employee's share and Employer's share) in advance to the Employer prior to commencement of such leave of absence without pay.

15.04 Family and Medical Leave Acts (FMLA) – Leaves requested and granted pursuant to the State and /or Federal Family and Medical Leave Acts (FMLA) are without pay except in those instances where provisions of the laws allow employee substitution of paid leave (i.e. sick leave, vacation, compensatory time, holidays etc.) credits. In such instances, the State and Federal FMLA leaves run concurrent and the FMLA leave entitlement limits are not extended. Wherein the employee is in a portion of FMLA leave that does not provide for employee option for substitution of paid leave, the employer will assign paid leave. In such instances sick leave pay shall not be assigned unless a medical condition which qualifies for sick leave use exists.

15.05 Outside Employment While On Leave – An employee who is on sick leave or extended medical leave and who is found to be actively employed by another employer while on such leave shall be deemed to have resigned his/her position with Fond du Lac County unless such other employment clearly does not conflict with the reason for the sick leave or extended medical leave. No leaves of absence shall be granted for the purpose of seeking or trying other employment.

ARTICLE XVI. INSURANCE
